27 December 1984

MEMORANDUM FOR: Julian C. Nall  
NIO for Science & Technology

FROM : [REDACTED]  
Executive Secretary

SUBJECT : Potential Addition to the STAP

1. As you will see from the attached package, [REDACTED] has been suggested as a STAP member. In response to a query by the Director, Evan Hineman believes he would be a valuable addition.

2. It would seem that the next step is to prepare a letter to [REDACTED] inviting him to join this group. Before proceeding further, however, please call me with your recommendation as to how we should proceed.
